

# US 60 Widening

Gilbert Road to Power Road

The Arizona Department of Transportation (ADOT) began work last week to construct berms along US 60 between Gilbert and Power roads that will provide noise protection for neighbors in the area. Excavation activities are expected to last until summer 2006. ADOT is committed to completing the freeway construction as quickly as possible while minimizing noisy night work.

Off-Ramp Closed Weekends in March

Off-Ramp Lane Restrictions through April

# Ampliación de la carretera US 60

## de Gilbert Rd. a Power Rd.

El departamento de transporte de Arizona (ADOT) comenzó a trabajar esta semana en la construcción de la berma o muro a lo largo de la autopista US 60 entre las calles Gilbert y Power que proporcionará protección contra el ruido a los vecinos del área. Se espera que las actividades de excavación duren hasta el verano del 2006. ADOT se ha comprometido a terminar la construcción de la autopista lo más rápido posible, minimizando el ruido del trabajo en las noches.

### Clausuras y restricciones del fin de semana (del viernes a las 11 p.m. hasta el lunes a las 5 a.m.)
